**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION UNDER RULE 41  
FOR A WARRANT TO SEARCH AND SEIZE**

I, Heather Wright, being first duly sworn, hereby depose and state as follows:

**INTRODUCTION, BACKGROUND, TRAINING, AND EXPERIENCE**

1. I make this affidavit in support of an application for a search warrant for information associated with a two cellular telephones' assigned call numbers.

- a. Information associated with call number **(414) 574-6830** ("**Target Phone #1**") stored at a premises controlled by T-Mobile, a wireless telephone service provider headquartered at 4 Sylvan Way, Parsippany, NJ 07054.
- b. Information associated with call number **(414) 797-9975** ("**Target Phone #2**") stored at a premises controlled by T-Mobile, a wireless telephone service provider headquartered at T-Mobile, a wireless telephone service provider headquartered at 4 Sylvan Way, Parsippany, NJ 07054.

2. T-Mobile will be referred to as the "Service Provider." The information to be searched is described in the following paragraphs and in Attachment A. This affidavit is made in support of an application for a search warrant under 18 U.S.C. § 2703(c)(1)(A) to require the Service Provider to disclose to the government copies of the information further described in Section I of Attachment B. Upon receipt of the information described in Section I of Attachment B, government-authorized persons will review the information to locate items described in Section II of Attachment B.

3. I am a Special Agent with the Federal Bureau of Investigation (FBI) and have been since July of 2010. Since August of 2020, I have been assigned to the FBI's

Milwaukee Area Violent Crimes Task Force, a multi-jurisdictional law enforcement entity charged with investigating violations of federal law, including bank robberies, commercial robberies, armed motor vehicle robberies, illegal possession of firearms, drug trafficking offenses, and other violent crimes. I have been trained in a variety of investigative and legal matters, including the topics of Fourth Amendment searches, the drafting of search warrant affidavits, and probable cause. I have participated in criminal investigations, surveillance, search warrants, interviews, and debriefs of arrested subjects. As a result of this training and investigative experience, I have learned how and why violent actors typically conduct various aspects of their criminal activities.

4. Based upon my training and experience, I know that criminal investigations have been aided by subpoenas, warrants, and court orders related to electronic communication records by providing critical investigative leads and corroborative evidence.

5. To this end, based upon my training and experience, I know that individuals involved in firearms-related and violent crimes use cellular telephones to maintain contact with co-conspirators aurally or via electronic message in “text” format. I also know that it is common for suspects who commit firearms-related and violent crimes to take, or cause to be taken, photographs and other visual depictions of themselves, their associates, and the illegal proceeds and firearms that they control or possess.

6. The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other Agents, law enforcement personnel

and witnesses. This affidavit is intended to show merely that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

7. Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that DEVON R. BRANTLEY (dob: XX/XX/1998) and other known or unknown co-conspirators committed violations of Title 18, United States Code and Sections 922(g)(1) (felon in possession of a firearm) and 1951(a) (Hobbs Act robbery). I further submit that there is probable cause to believe that evidence of BRANTLEY's, and others' involvement in the robbery will be recovered in the records that are sought herein.

#### **PROBABLE CAUSE**

##### *Shooting One*

8. On November 7, 2022, a witness, hereinafter L.C., walked into MPD District 4 to report a shooting. L.C. stated that he was a bus driver for Quad Graphics, and that he transported DEVON BRANTLEY and his brother JAVON BRANTLEY to their place of employment, Quad Graphics, located in Hatley, WI, on a regular basis. L.C. stated that on that day, he picked up BRANTLEY and JAVON at approximately 6:40 a.m. near N. 27<sup>th</sup> Street and W. Hope Avenue and stopped at a Mobile gas station located 2620 W. Capital Drive to pick up some water for himself. When he exited the gas station, he observed both BRANTLEY and JAVON standing outside the bus. L.C. observed that BRANTLEY was holding a black handgun and was pointing it at JAVON. BRANTLEY and JAVON continued to argue and BRANTLEY fired (5) shots in the direction of

JAVON. BRANTLEY then fled on foot. JAVON then got back into the bus and L.C. and JAVON drove to a police station. L.C. stated that just before arriving at the District, JAVON fled the bus on foot. One round passed through the bus, leaving a bullet hole. At approximately 6:44 p.m., MPD Officers obtained (5) brass 9mm spent casings from the parking lot of the Mobile gas station.

#### *Shooting Two*

9. On November 30, 2022, at approximately 12:45 p.m., MPD Officers responded to Froedtert Hospital regarding a shooting victim. The victim, hereinafter S.G., stated that she was in the area of 35th and Silver Spring walking northbound on 41st or 42nd Street towards W. Silver Spring Dr., in the middle of the street, when she walked past a black car with tinted windows. S.G. stated that she did not look inside the car as she walked past but knew there were people inside because she heard movement and people talking. S.G. stated that when she was approximately three car lengths past the vehicle, she heard a male say "hey!". S.G. stated that when she turned around, she observed a black male, approximately 5'1", older based on his voice, thin build, point a black semi-automatic handgun at her and fire approximately four to five times in her direction. S.G. stated that she immediately knew that she had been shot in the calf and ran and hid in a yard nearby. S.G. stated that she removed the black coat that she had been wearing. S.G. stated that she observed the vehicle with the windows down slowly driving in the area and appeared to be looking for her. S.G. stated that she walked to the bus stop, took the bus to her brother's house, where her brother called 911. The victim appeared to be intoxicated at the time she reported the incident.

10. Following the incident, at approximately 1:10 p.m., two United States Probation Officers, Daniel Zander and Kristina Langteau, walked into MPD District 4 to report being a witness to a potentially related incident. On November 30, 2022. Probation Officers Zander and Langteau had a scheduled home visit at 5409 N. 41<sup>st</sup> Street at 11 a.m. The home visit was scheduled with Michael Garner, DOB XX/XX/1992. Probation Officers Zander and Langteau arrived just prior to 11:00 a.m. at 5409 N. 41<sup>st</sup> Street. While walking up to the residence, Zander and Langteau observed a black Chevrolet Malibu parked in front of the residence. Although the vehicle had dark tinted windows, the driver of the vehicle rolled down the front passenger side window and spoke with the Officers. Officers Zander and Langteau recognized the driver of the vehicle to be BRANTLEY - as they have also supervised BRANTLEY since his release from custody. Officers Zander and Langteau were aware that BRANTLEY was the brother of Garner. Officers Zander and Langteau also knew that BRANTLEY also lived at 5409 N. 41<sup>st</sup> Street. Officers Zander and Langteau briefly spoke with BRANTLEY and told BRANTLEY that following their visit with GARNER, they would be speaking with BRANTLEY. They had been unable to locate him since the Quad Graphics bus shooting incident and were surprised to find him outside the 5409 N. 41<sup>st</sup> Street home.

11. Probation officers Zander and Langteau were inside of 5409 N. 41<sup>st</sup> Street for approximately 10 minutes when they heard approximately (4) gunshots coming from outside the front of the residence. After waiting approximately (1) minute, Officers Zander and Langteau looked out a window to the front of the house and observed the

Chevrolet Malibu that they had observed being driven by BRANTLEY pull away from the curb.

12. Approximately (2) minutes later, Probation Officers Zander and Langteau exited the residence and checked the area where they saw the vehicle parked. Probation Officers Zander and Langteau observed (4) 9mm spent casings in the street where the vehicle had been parked. Probation Officer Zander photographed and video recorded the locations of the fired casings in the street and then recovered the casings using their work-issued evidence recovery implements. Probation Officers Zander and Langteau then traveled to District 4 to report the incident.

#### *Shooting Three*

13. On December 14, 2022, at 7:10 p.m., MPD officers responded to the Dominos Pizza located at 6918 N. Teutonia Avenue, Milwaukee, Wisconsin for an armed robbery complaint. The caller stated that two males entered the business and attempted to rob them. The caller added that the subject fired multiple gunshots inside the building prior to leaving the scene. There were three victims associated with this incident. These victims will be referred to by their initials, A.J., D.L., and S.M., throughout this affidavit.

14. A.J. stated that at approximately 7:04 p.m., A.J. was on duty and standing near the front counter folding pizza boxes, when two black males entered the lobby armed with semi-automatic handguns. A.J. stated that one of the males approached the front counter and pointed his handgun, with an extended magazine, at her and told her to "Come here." A. J. stated that she replied, "Do you know me?" A.J. stated that she refused to walk towards the counter, so Suspect 1 stated "Oh, you think I'm playing?"

A.J. stated that the male then fired a round towards her, striking the standing food warmer. A.J. stated that she immediately ducked down and hid underneath the stainless-steel table that she was working on for her safety. A.J. stated that she remained hidden under the table until she heard the suspects exit the business. A.J. stated that once the two males were outside, she heard approximately seven (7) more gunshots on the north side of the building. A.J. stated that she immediately called 911 following the incident.

15. Officers searched the north side of the building and located (7) spent casings on the ground near the main entrance door on W. Vera Avenue.

16. Officers spoke with D.L. regarding the incident. D.L. stated that he was making pizzas near the front counter when he heard gun shots. D.L. stated that he ran to the rear of the store to take cover.

17. Officers also spoke with S.M. S.M. stated that he was putting pizzas into the pizza carrying bags when the incident occurred. S.M. stated that he heard someone near the front counter say, "Come here," and heard a single gunshot. S.M. stated that he immediately ran to the rear of the business and heard an additional (3) gunshots coming from the front of the store. S.M. stated that he ran outside and took cover behind a vehicle.

18. Officers were able to view the Domino's Pizza security cameras and observed the incident. Officers observed the first suspect, hereinafter Suspect 1, to be a black male, approximately 5'6" with a Medium build. He was wearing a black coat with a white triangle on the left shoulder, blue jeans, gray underwear, and black shoes. Suspect 1 was wearing a mask that covered a majority of his face with the hood of his coat pulled

up. Suspect 1 also wore corrective glasses with a dark frame. Suspect 1 was armed with a black semi-automatic handgun with an extended magazine.

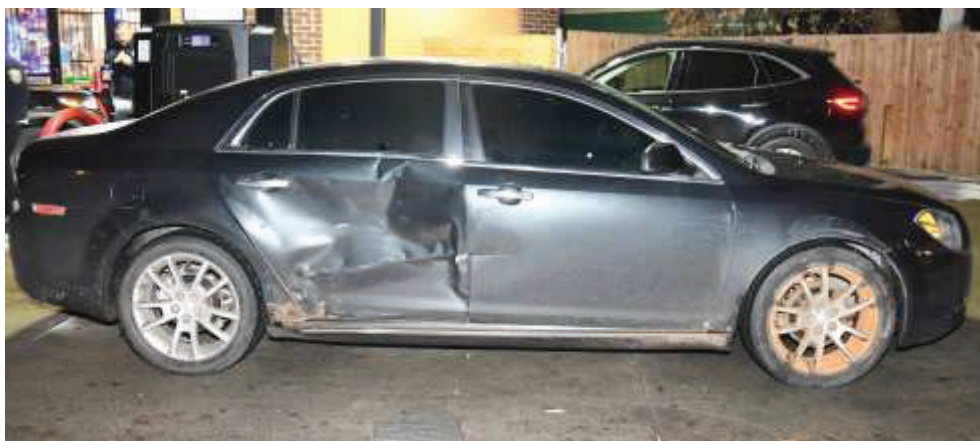

19. The second Suspect, hereinafter Suspect 2, was a black male, approximately 5'10", medium build, wearing a black coat, black jeans, and black shoes. Suspect 2 also wore a white surgical mask and was armed with a black semi-automatic handgun with a green lower receiver and grip. Both suspects were wearing rubber or latex gloves during the time of this incident.

20. During the review of the surveillance video, officers observed Suspect 1 point his firearm at A.J. and moments later, fired a single shot which struck the standing food warmer. Suspect 2 then reached his firearm around a column in the lobby and blindly fired (4) rounds into the kitchen area. The two suspects then exit the business through the main entrance door. Suspect 1 stopped briefly in the doorway and turned around, pointing his weapon towards the front counter area. It appeared that Suspect 1 attempted to fire his weapon again, but the gun would not discharge. Both suspects exit the building and walk to the north side of the building. A gray 2008-2012 Chevrolet Malibu with a large dent on the rear passenger side door was then observed driving west on West Vera Avenue, then south on North Teutonia Avenue. Prior to entering the suspect vehicle, one of the suspects appeared to have observed two victims, D.L. and S.M., run away from the restaurant eastbound on West Vera Avenue, so they fired (7) gunshots in their direction. Neither D.L. nor S.M. were struck by the gunfire.

21. Surveillance video was also recovered from 6930 North Teutonia Avenue (Express Wireless & Tobacco) which was located just north of the Domino's Pizza. Upon

review of the video, Officers observed the gray Chevrolet Malibu traveling east on West Vera Avenue and travel out of sight. The vehicle then came back into view, traveling west and parked along the north side of the Domino's building. Suspects 1 and 2 are observed exiting the vehicle, one from the driver's side and one from the passenger side of the vehicle. Both suspects are then observed entering the Domino's Pizza. Shortly thereafter, both suspects quickly exit the Domino's and one of the suspects was observed discharging his firearm multiple times (muzzle flashes are observed). Both suspects reenter the suspect vehicle, one entering the passenger side of the vehicle and one entering the driver's side of the vehicle. The suspect vehicle was then observed fleeing from the area, south on North Teutonia Avenue.

22. On December 16, 2022, at 3:08 a.m., MPD Officers observed a black 2009 Chevrolet Malibu, with WI plate ARE-7662, with heavy damage to the rear passenger door, parked next to a gas pump at a gas station located at 1545 W. Hopkins Avenue.

23. The Officers were aware of the vehicle's connection to the armed robbery that had occurred on December 14, 2022. Upon entering the gas station lot, Officers observed the occupants of the vehicle inside the convenience store associated with the

gas station. Officers observed a black Glock handgun inside the vehicle, in plain view, on the center foldable arm rest inside the suspect vehicle. The firearm had a large clear extended magazine containing gold unfired cartridges.

24. As the first occupant of the vehicle exited the gas station and approached the suspect vehicle, Officers approached and identified the suspect as BRANTLEY. Officers asked BRANTLEY if he had a CCW permit, if he was a felon, and if the firearm inside the vehicle belonged to him. BRANTLEY told Officers that he did not have a CCW permit. BRANTLEY also stated that the firearm did belong to him but that he was not a felon. A record check of BRANTLEY revealed that he was indeed a convicted felon and was not authorized to be in possession of a firearm. Officers took BRANTLEY into custody at this time. The second occupant of the vehicle, identified as DORREUS N.

EALY (dob: XX/XX/1986), then exited the gas station convenience store. EALY, who did not have a CCW permit, was placed into custody regarding the concealed handgun inside the suspect vehicle.

25. After being handcuffed and placed in the back of a Milwaukee Police Department squad car, Brantley made a series of statements that were not in response to questions including that he did not wish to go back to prison, so police could keep the gun that was in his vehicle.

26. In addition to the loaded black Glock 17 Gen 5, bearing SN: BWFN803, firearm with a clear extended magazine (loaded with (40) 9mm rounds in the magazine and (1) unfired cartridge within the chamber), a search of the suspect vehicle identified (1) green latex glove, (2) blue latex gloves, (2) purple/blue latex gloves, (1) black iPhone with silver back, (1) red iPhone with a cracked screen and a rainbow case, (1) black ski mask with large single eye hole, (1) black (31) round capacity extended magazine, (1) black Adidas nylon bag that contained an additional Glock-styled magazine loaded with (17) 9mm unfired cartridges, and a small box of ammunition containing (6) 9mm unfired cartridges.

27. Also taken into custody, was the black jacket that BRANTLEY was wearing bearing a white triangle logo on the left shoulder that Suspect 1 can be observed wearing in surveillance video of the incident.

28. Brantley was Mirandized and interviewed in custody on December 16, 2022. Brantley stated that he knew he had been convicted of a felony. In the midst of denying he had ever had the gun from the car "on him," Brantley stated, "I found [the

gun],” and when asked where he found it in the car, he said, “No, I didn’t find it in the car, I found it on the street somewhere.” He said the Chevy Malibu was his car (though he described it as “the Impala”). Brantley then said, “that don’t mean I shot the gun.” When asked if he took possession of the gun by taking it off the street he replied, “yeah I found it.” And when again asked, “so you took possession of it,” Brantley replied, “yeah, I wasn’t going to do nothing with it.”

29. The detective interviewing Brantley then transitioned to what he introduced as “the Quad graphics incident” – *i.e.*, the 11/7/22 shooting by Brantley at his brother - and Brantley asked, “The situation at the gas station?” When told “yes,” Brantley said, “That wasn’t me.” During this point of the interview, the interviewing detective had not brought up the details or the location of this incident. Brantley had not been arrested or previously questioned regarding this incident, yet Brantley knew the [Quad] incident took place at a gas station.

30. I know that on July 10, 2017, BRANTLEY pled guilty to federal charges of Title 18 U.S.C. § 1951(a) unlawfully attempting to obstruct, delay, and affect commerce by attempted robbery, and Title 18 U.S.C. § 924(c)(1)(A)(ii), knowingly possessing and brandishing a firearm in furtherance of a crime of violence. I also know that BRANTLEY was sentenced on October 19, 2017 to 84 months in prison and two years of supervised release.

31. On October 7, 2022, BRANTLEY was released from federal custody and was under federal supervision during the time this incident occurred. As part of BRANTLEY’s conditions of his supervised release and due to BRANTLEY’s prior felony

conviction for which he served more than one year in the custody in the Federal Bureau of Prisons, BRANTLEY is prohibited from possessing firearms. *See United States v. Devon Brantley*, Case No. 16 CR 188 (E.D. Wis.).

32. Following the recovery of the firearm from BRANTLEY on December 16, 2022, the firearm was test fired by a Forensic Technology Certified IBIS Technician and it was determined that casings recovered from the incident that occurred on November 7, 2022, the incident that occurred on November 30, 2022, and the incident that occurred on December 14, 2022, were fired by the same firearm. More specifically, all of the casings recovered on November 7, 2022, all of the casings recovered on the incident that occurred on November 30, 2022, and (1) of the casings recovered on December 14, 2022 were fired from the handgun seized from BRANTLEY's vehicle.

33. On March 6, 2023, your affiant contacted United States Federal Probation Officer Daniel Zander. Zander stated that on November 22, 2022, Zander last had contact with BRANTLEY over text while BRANTLEY was using cellular telephone number **414-574-6830 (Target Phone #1)**. Zander stated that during their text message conversation, BRANTLEY identified himself in the text message to Zander as they discussed things related to BRANTLEY's probation. Zander also stated that in October of 2022, Zander also was contacted by BRANTLEY using the cellular telephone number **414-797-9975 (Target Phone #2)**. Zander spoke with Brantley on the phone and also received a text message from BRANTLEY from that phone number where BRANTLEY identified himself. Your affiant is requesting the following information based on the information

provided and the association with BRANTLEY to the Hobbs Act robbery and firearms violations that took place.

34. Your affiant is requesting the subscriber information, call detail records, cloud storage records for Target Phone #1 and Target Phone #2 for the timeframe of November 1, 2022, at 12:00 a.m. (CST) through December 16, 2022 at 11:59 p.m. (CST).

#### **CELL SITE DATA**

31. In my training and experience, I have learned that the Service Provider is a company that provides cellular telephone access to the general public. I also know that providers of cellular telephone service have technical capabilities that allow them to collect and generate information about the locations of the cellular telephones to which they provide service, including cell-site data, also known as “tower/face information” or “cell tower/sector records.” Cell-site data identifies the “cell towers” (i.e., antenna towers covering specific geographic areas) that received a radio signal from the cellular telephone and, in some cases, the “sector” (i.e., faces of the towers) to which the telephone connected. These towers are often a half-mile or more apart, even in urban areas, and can be 10 or more miles apart in rural areas. Furthermore, the tower closest to a wireless device does not necessarily serve every call made to or from that device. Accordingly, cell-site data provides an approximate location of the cellular telephone but is typically less precise than other types of location information, such as E-911 Phase II data or Global Positioning Device (“GPS”) data.

32. Based on my training and experience, I know Service Providers can collect cell-site data about **Target Phone #1 and Target Phone #2**. I also know that wireless

providers such as the Service Provider typically collect and retain cell-site data pertaining to cellular phone to which they provide service in their normal course of business in order to use this information for various business-related purposes.

33. Based on my training and experience, I know that wireless providers such as the Service Provider typically collect and retain information about their subscribers in their normal course of business. This information can include basic personal information about the subscriber, such as name and address, and the method(s) of payment (such as credit card account number) provided by the subscriber to pay for wireless telephone service. I also know that wireless providers such as the Service Provider typically collect and retain information about their subscribers' use of the wireless service, such as records about calls or other communications sent or received by a particular phone and other transactional records, in their normal course of business. In my training and experience, this information may constitute evidence of the crimes under investigation because the information can be used to identify **Target Cell Phone #1** and **Target Phone #2** user or users and may assist in the identification of co-conspirators and/or victims.

## V. AUTHORIZATION REQUEST

34. Based on the foregoing, I request that the Court issue the proposed search warrant, pursuant to 18 U.S.C. § 2703(c) and Federal Rule of Criminal Procedure 41.

35. I further request that the Court direct Service Provider to disclose to the government any information described in Section I of Attachment B that is within its possession, custody, or control. Because the warrant will be served on the Service Provider, who will then compile the requested records at a time convenient to it,

reasonable cause exists to permit the execution of the requested warrant at any time in the day or night.
